SHOW YOUR COLORS—MAKE A FLAG INSTRUCTIONS

You will need: A desk top printer to print the shapes, scissors, glue, a pencil/dowel or stick

1. Print out Page 1
2. Cut out both the Flag shapes
3. Align Side A of the first flag shape with Side B of the second flag shape and glue the two shapes together.
4. Wrap the white tab around a pencil, a stick or a dowel and glue it down to complete the flag.
